Common-sense solutions for companies – all services from a one-stop shop

Two million inhabitants, a workforce of over 800,000 people within an hour's radius, and major transport routes nearby. All the services you need in one place, easily and quickly. We promise answers within 48 hours – Energy, water supply, telecommunications solutions, or municipal experts' services.

Mäntsälä gives you all this at a competitive price. Business plots are competitively priced, and renting is also an option. No needless delays with permits, you'll get them usually in 2–5 weeks.

In Mäntsälä, crucial connections are at your doorstep, and your company has room to grow and develop in the way you want. Spread over almost 600 km², Mäntsälä offers plenty of room for growth. Highway 4 is the backbone of goods transport traffic, and Mäntsälä marks the place where it cuts across Route 25, which runs to Hanko, the second most central port in the south. Both Helsinki Airport and Vuosaari Harbour are only 40 minutes away.

Mäntsälä, like Finland in general, is a reliable, secure choice for your company. We don't have to worry about tornadoes, floods, or earthquakes!

Good living, for both residents and entrepreneurs.

Lush, lively Mäntsälä is a strongly developing municipality, with approximately 21,000 inhabitants, in the beautiful sub-regions of Helsinki. With its beautiful meandering river, it is close to nature, but still perfectly located at the crossroads of important transport routes, and offers a smooth operating environment for companies.

Whether you're settling down to live, need accessible labour, or intend to work remotely, Mäntsälä's central location is perfect. Of all the municipalities surrounding Helsinki, it is the fastest-growing, and has scored high in many surveys on vitality.

The population is young, and many people have chosen Mäntsälä as the hometown in which to raise their families. The municipality has invested heavily in high-quality schools and has a varied selection of daycare centres. Housing can be found to suit all tastes and budgets.

All essential services are easily available, queues are not a problem in this village-like municipality. The villages around Mäntsälä also offer wide-ranging options for living and leisure. Recreational areas and numerous venues for activities and clubs compete the idyll.

Find the perfect way of life and location for your business. Live the life you've always wanted!

Vitality through cooperation

Ask us, and we'll answer! Tell us your concerns about your company's growth, development, or other issues. We cooperate with many stakeholders who support business activities. We can help you contact construction companies, employment services and other service providers.

We can tell you where to find guidance to improve your own skills or those of your employees, and help you organise meetings and events, in cooperation with various actors, to support entrepreneurship. If you're planning to recruit, or want training tailored to your company's needs, we can help you find the best partners.

Vocational school KEUDA's courses offer all-round development of labour and skills, also in Mäntsälä. The surrounding municipalities' universities of applied sciences offer diverse cooperation opportunities, and Mäntsälä is home to the Veterinary Teaching Hospital of the University of Helsinki's Faculty of Veterinary Medicine.

We can also help you with projects or in finding external funding -whatever you need.
